ThinkVantageTechnologies

Pressing the ThinkVantage button on your keyboard opens the ThinkVantage Productivity Center. To learn more about ThinkVantage technologies and other topics, select "Learn and get help" from the Productivity Center menu and enter a topic in the keyword search field.

Productivity Center

Productivity Center guides you to a host of information and tools to help you set up, understand, maintain, and enhance your ThinkPad computer.

Access Connections

Access Connections allows you to seamlessly switch between wired and wireless environments while automatically managing security settings, printers, home page and other location-specific settings.

Client Security Solution

This unique hardware-software combination helps protect your data, including vital security information like passwords, encryption keys and electronic credentials, while helping to guard against unauthorized access to data.

Rescue and Recovery

Rescue and Recovery includes a set of recovery tools to help you diagnose, get help and recover from system crashes quickly, even if the primary operating system will not boot and you are unable to contact your support team.

System Migration Assistant

System Migration Assistant helps get you up and running by quickly and accurately migrating your data and settings to your new computer.

System Update

System Update downloads new Lenovo software, drivers and BIOS available for your ThinkPad computer.

To learn more, press the ThinkVantage button:

Using the included manuals and Help Center(online manual)

To find detailed information about your ThinkPad computer, see the Safety and Warranty Guide, the Service and Troubleshooting Guide or open the Help Center.

Safety and Warranty Guide

Safety and Warranty Guide

- Important safety information
- Warranty information

Service and Troubleshooting Guide

Service and Troubleshooting Guide

- Introduction to other sources of information
- Important tips for taking care of your computer
- Diagnostics and troubleshooting
- Recovery options
- Help and Service
- Warranty information for your computer

Help Center

To open the Help Center, press the ThinkVantage button and select "Learn and get help" from the Productivity Center menu.

Learn about your computer

- Use system features
- Configure
- Protect & recover
- Download & upgrade
- Stay current

Get help & support

- View references
- Find support information
- Diagnose a problem
- Download & upgrade
