hp supplies compatibility chart spring 2003

the hp system—designed together to work together

Every item featured in this guide offers the assurance of HP quality and reliability, as well as complete compatibility with HP peripherals.

Only HP printing supplies are custom engineered to interact precisely with HP printers, and only HP storage supplies are optimized for guaranteed compatibility with HP storage hardware.

HP products are designed together to work together for optimum output and reliability.

saving time and money

Every time you have to fix a paper jam, reprint a smeared document, or replace a cartridge that ran out prematurely, it costs you time and money.

HP understands that many factors affect your printing bottom line, such as downtime, quality, output, and staff productivity.

That's why HP printers and supplies are designed for maximum efficiency when used together.

hp paper & media (small format)

hp everyday papers

page 6

HP Everyday Papers are designed to work well with all of your HP printer devices. They provide exceptional value and quality from sheet to sheet. Exhaustive research goes into all of the HP Everyday Papers. This research helps improve reliability, reduces dust build-up, prevents jamming, and ensures overall quality. HP printing supplies — designed together to work together.

hp business communication papers and film

page 7

HP Business Communication Papers help you make a professional statement with brochures, flyers, presentations, marketing materials, and newsletters. This wide assortment of papers provides a range of finishes and weights for your publications, yielding professional results. Each high quality paper enhances color contrast for dynamic business presentations and allows you to create documents that immediately grab the attention of your audience.

hp special occasion papers

page 8

HP Special Occasion Papers have been designed for when you want to add a unique personal touch. With these papers, create your own greeting cards on a variety of media types, print your own iron-on transfers for one-of-a-kind gifts, or print banners to mark special events such as birthday or retirement parties, announcements, greetings, or quick signage for special sales and offers.

hp photo papers

page 8

HP Photo Papers bring your images to life. Whether you're looking to print everyday photos, reprints, or photo albums, HP has the right photo paper for your every need. Want a high gloss or a matte finish, 8.5 by 11-inch or 4 by 6-inch size — you decide. And when you combine HP inks and paper, you get images that can outlast the normal photographic process.

results

one less thing to worry about

When you use genuine HP supplies with your HP printer you get guaranteed results every time. We engineer our printers, ink, toner, and media to work seamlessly together. With our combined technology, you get crisper text, more brilliant colors, and error free operation to produce the documents you need when you need them.

HP supplies—don't turn your printer on without them.
