

# MICROSOFT SELECT 5.0 CORP SOFTWARE XPS SEPTEMBER 2001

## Abbreviations for the Select 5.0 Price List

Item	Description	Abbreviations
Upgrade Advantage	Fixed and non-cancelable fee that allows customers to obtain and use subsequent updates of the same product released during the term of their agreement.	UA
Version Upgrade	Upgrade from a prior "version," of a given product e.g. Office 97 to Office 2000.	VUP
Product Upgrade	Upgrade from one defined product to another defined product within a product family e.g. Office 2000 to Office Pro 2000.	PUP
Competitive Upgrade	Upgrade from one defined competitive product to a defined Microsoft product e.g. Novell Netware to the Windows NT Server.	CUP
Work At Home	All corporate Select customers are eligible to acquire licenses for Work at Home products under the agreements for deployment on employees' home computers. Works at Home licenses are also listed on the price list. Each Work at Home license acquired must correspond to a license for the same product deployed on an at work computer, a computer using the software for work purposes that is located on the company's premises. Only the primary users of the "at work" computers are eligible to use Work at Home products. The Work at Home offering is not an employee purchases plan. The Select customer (not the employee) retains the rights to the Work at Home license.	WAH
