

MSA500 G2 version 1.52 (continued on second page)

This MSA500 G2 firmware will recommend updates for some SCSI disk drive models after the MSA500 G2 firmware has been installed. To avoid notification on the LCD panel, update any applicable hard disk drives before updating the MSA500 G2 firmware.

Disk drive firmware components are available from:

http://h18000.www1.hp.com/support/files/storage/us/locOsCat/99_56.html

If a component is not available for the affected disk drive model, download the following ROMPaq:

<http://h18000.www1.hp.com/support/files/server/us/download/17149.html>

A later version of the disk drive firmware may be available and should be used.
