

# Announcing the arrival of ISS technology Podcasts

In addition to providing the paper format (PDF) previously offered, the ISS Technology Papers site now offers Audio Podcasts of the most popular papers. Audio Podcasts allow more flexibility for customers on the go, making it easy to get the information when and where they need it.

Papers available in multiple formats are noted as such next to the title.

## AVAILABLE PODCASTS

At this time, three Audio Podcasts are available with more planned for the near future:

- » The HP ProLiant DL585 G2 server – Technology Brief [Audio Podcast](#) [PDF](#)
- » HP Virtual Connect technology implementation for the HP BladeSystem c-Class – Technology Brief [Audio Podcast](#) [PDF](#)
- » Power Regulator for ProLiant servers – Technology Brief [Audio Podcast](#) [PDF](#)

## CALL TO ACTION

Send comments about existing Podcasts or requests for new ones to [TechCom@HP.com](mailto:TechCom@HP.com).
