The party named below hereby grants Compaq Computer Corporation (hereinafter referred to as "Compaq") and Netscape Communications Corporation (hereinafter referred to as "Netscape") the right to use and reproduce for promotional purposes information regarding a customer's use of the technology solution.

The name of the solution/application is _____

Permission to use this information includes the following:

- 1) A written case study and customer profile (abstract) may be printed for distribution and/or published on the Compaq and the Netscape web sites. This material may be accessed by Compaq and Netscape and used publicly as reference material.
- 2) Statements made by customer representatives, relating to the Compaq and Netscape solution, may be used in Compaq advertising and public relations vehicles, including ads, press releases and newsletters as well as Netscape advertising and public relations vehicles, including ads, press releases and newsletters. The customer representative will have the opportunity to review this material prior to publishing.
- 3) The party's name and/or case study and abstract content may be used in verbal references in speeches, presentations, videos, sales calls, and other events that Compaq and Netscape may deem appropriate.

I understand that I will have the opportunity to review the content of the written case study and make any desired changes before it is published or printed. I also understand that Compaq, and Netscape, own respectively, all copyrights in the case study material prepared by them and may use it worldwide. I further represent and warrant that I have the authority to execute this release of myself, and my company, and release Compaq and Netscape, their officers, directors, employees and agents from any liability arising out of or in connection with any use or uses described herein. I represent and warrant that this agreement does not in any way conflict with existing commitments. I certify that I am over eighteen years of age and am under no legal or contractual disability to grant the rights above.
